

Dear Sir / Madam,

Mediphacos is proud to participate in the " VI World Cornea Congress" and "ASCRS Symposium & Congress" that will be held in Boston, USA, 07-14 April 2010.

It will be a pleasure to welcome you to our booth, number 946, where we will also offer a KERARING wet lab free of charge to all participants. We invite you to take advantage of this opportunity and try implanting the world's leading intra-corneal ring segment for Keratoconus.
