

## Visit Diopsys® at ESCRS

Diopsys cordially invites you to attend a symposium on the clinical benefits of office-based visual electrophysiology. Three leading eye care professionals will be discussing the benefits of the **newly available** [Diopsys® NOVA™](#) and [Diopsys® ARGOS™ ERG and VEP Vision Testing Systems](#) and how to integrate these exciting technologies into your daily clinical practice.

### "How Office-Based ERG and VEP Testing Can Impact Early Detection and Patient Management"

#### Featuring:

Robert J. Noecker, MD, MBA

Vincenzo Russo, MD, PhD

Richard Tipperman, MD

**Location:** Crowne Plaza Copenhagen Towers  
Oerestads Boulevard 114 – 118  
Copenhagen S 2300

**Date:** Sunday 11 September 2016

**Time:** 6:00PM - 7:30PM

*Drinks and hors d'oeuvres will be served.*

**RSVP Now!**

The discussions will center around the role of office-based ERG and VEP in **retinal disorders, glaucoma, pre-operative cataract evaluation**, and more.

Please join us for this educational event to learn how the Diopsys® NOVA™ and Diopsys® ARGOS™ can benefit your patients and your practice. Also, visit the Diopsys Booth #H141 during exhibit hours at ESCRS.

We look forward to seeing you there!

Best regards,

**[Diopsys, Inc.](#)**
